Social Drinking: Positively Negative!

We drank for happiness and became unhappy.

We drank for joy and became miserable.

We drank for sociability and became argumentative.

We drank for sophistication and became obnoxious.

We drank for friendship and made enemies.

We drank for sleep and awakened without rest.

We drank for strength and felt weak.

We drank "medicinally" and acquired health problems.

We drank for relaxation and got the shakes.

We drank for bravery and became afraid.

We drank for confidence and became doubtful.

We drank to make conversation easier & slurred our speech.

We drank to feel heavenly & ended up feeling like Hades.

We drank to forget and were forever haunted.

We drank for freedom and became slaves.

We drank to erase problems and saw them multiply.

We drank to cope with life and invited death.
