

The Gospel Unashamed

"From the cowardice that shrinks from new truth, from the laziness that is content with half-truths, from the arrogance that thinks it knows all truth, O, God of Truth, deliver us."

Covid Crazy Yet???

"We need to be careful because more and more people are going crazy from being in lockdown.

I've just been discussing this with the microwave, toaster, and Keurig machine and we all agree that things are getting worse.

I didn't mention anything to the washing machine as she puts a different spin on everything.

Certainly not to the fridge because he is always so cold and closed off.

The iron calmed me down a bit as she said everything will be fine, no situation is too pressing.

The vacuum was completely unsympathetic... told me to just suck it up.

The fan was more optimistic and hoped it would all blow over soon.

The toilet looked a bit flushed when I asked its opinion and the doorknob told me to get a grip.

The front door said I was unhinged and then the curtains told me to yes, pull myself together and keep hanging in there!"

We at Summit hope you are all well and still "hanging in there!"
