GOOD TEACHERS...

Believe that the Bible is the Word of God.

Do not undermine the teaching of Scriptures.

Teach the Bible – not act as a presider of pooled ignorance.

Tells what the writer of the text meant not what they wish it means.

Do not omit the whole truth to avoid criticism or conflict.

Admit that they do not know the answer if someone asks a question and admits it if they have taught something wrong.

Prepare their lessons and do not fly-by-the-seat-of-their-pants. They study.

Expects a change in the student's minds, behavior, and attitude.

Practice what they teach.

Do not practice neutrality.
